Subject: Wickford Drive Sampling

Good afternoon Shari and Wally,
The County Health Dept. (Heather) received requests from a number of residents on Wickford Drive (outside the proposed GRUZ) to sample their well water – and they passed on those requests to the Group. As you know our Residential Monitoring Plan includes a number of wells along the proposed GRUZ border, but just wanted to inform you that we thought it would be best to sample all of the remaining wells in Wickford – since some have not been sampled for a couple years. Attached is an example letter.

Usually, no good deed goes unpunished – and hopefully this does not cause any undue concern.

Kind regards
Bill
